

GREYLINE
TRANSPORTATION & LOGISTICS

Capability Statement

Mission Statement: Rooted in Duty, Honor, and Country; we remain committed to connecting our government, our corporations, and our communities one ride or delivery at a time.

Company Overview: GreyLine was founded in April 2018 by two West Point Graduates and a Columbia University MBA graduate with a mission to provide cost-effective mass transportation services to retired and active duty military, DOD civilians on and around U.S. Military Installations, and commercial organizations. GreyLine specializes in high quality transportation operations, maintenance and logistical services, and expedited freight arrangement. With over 70 vehicles in our fleet, we are the best-in-class choice for your transportation services.
